Uintah High School Theater Department is dedicated to helping students prepare for the future.

Research shows that participation in the arts is a great benefit for students. They –

- Do better in school with higher test scores,
- Develop self-confidence,
- Improve communication skills, and
- Enhance leadership abilities.

We rely on support from patrons to make Uintah High School Theater great. Please consider a gift to Uintah High Theater's 2009 fund drive.

Your support does make a difference!
